

USB-C to HDMI + Type A + Type C Dongle

P4K2-CCHU1C3

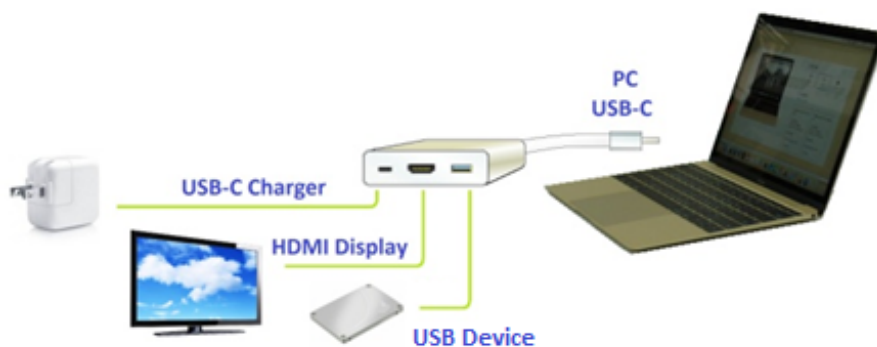

Introduction

Partilink P2K-CCHU1C3 is a USB-C dongle enables you to connect any Type C device to output HDMI video, charging power by USB-C charging, and access USB 3.0 devices such as the hard disc drive, USB flash drive, or the mobile devices. The built-in USB-C port is capable of delivering data, power and video signals.

Just connect the Partilink P2K-CCHU1C3 with the computer via the equipped USB-C cable. When it's not necessary to connect the computer, just unplug the USB-C cable!

Application

- NB/PC USB-C interface extension
- NB/PC USB-C video stream to HDMI Display
- NB/PC USB-C data transfer to USB 3.0 device

Features

- Pigtail USB-C x1, Host upstream link, power supply up to 40W
- HDMI Output Port x1, HDMI 1.4 video 4k/30p output, HDMI female connector
- USB 3.0 Output Port x1, Hub downstream link, USB Type-A female connector
- USB-C Bus-powered Port x1, USB-C female connector x1, charging power up to 40W

Specifications

MODEL NO.	P4K2-CCHU1C3
DESCRIPTION	USB-C to HDMI + Type A + Type C Dongle
USER INTERFACE	Pigtail USB-C x1 Upstream link
	HDMI Output Port x1 HDMI 1.4 video 4K/30P output, HDMI female connector
	USB 3.0 Output Port x1, Hub downstream link, USB Type-A female connector
	USB-C x1 Power charging, USB Type-C female connector
POWER SUPPLY	USB-C Bus-powered x1 USB-C male connector, charging power up to 40W
DISPLAY RESOLUTION	4K@30Hz, 4:4:4
DATA RATE	USB3.0: Low-speed / Full-speed / High-speed / Super- speed
HOUSING	Aluminum
ENVIRONMENT	Operation Temperature: 0~40°C Storage Temperature: -20~70°C
COMPLIANCE	CE, FCC
DIMENSION	59.6 x 63.4 x 14 (LxWxH), USB-C cable 96.6 mm
WEIGHT	To be confirmed
